REPORT of the Committee of Management to the Annual Meeting of the Governors of the Gravesend and North Kent Hospital.

LADIES AND GENTLEMEN,

There is much to report for 1929. The year stands out as the most momentous in our history.

Statistics of the patients treated in the many departments prove our forward movement of usefulness still continues. The figures were as follows :—

	New.	Old.
In-patients	1167	—
Medical Out-patients ...	1261	4749
Accident Patients ...	7119	33531
Dental Patients	1027	—
X-Ray Patients	3246	469
Battery & Massage Patients	570	16162
Ophthalmic Patients ...	510	1412
Sun Ray Patients	62	2162
Varicose Vein Clinic ...	78	312
	<hr/> 15040 <hr/>	<hr/> 58797 <hr/>

Total Attendances ... 72,670.

Major Operations, 554. Minor Operations, 674.

The Gravesend District Nurse paid 4,207 visits, and The Northfleet Diamond Jubilee Samaritan Fund Nurse paid 515 visits.

156 Examinations were carried out in The Pathological Department.

I make no apology for again giving the corresponding figures for 1921, in order that you may realise our rapid growth since that year, and I earnestly ask you to study them in order that you may yourself be satisfied of our need for extension.

Financial problems have been very grave indeed. Our accumulated debt on the General Maintenance Account amounts to **£2690 18s. 3d.** to which must be added as a liability the sum of **£10,734 5s. 1d.** owing to our Bankers for the Building Fund. In addition there are outstanding liabilities on this latter account amounting to **£1,700**, and Legacies **£1,425**, making our debt the enormous sum of **£14,150 3s. 4d.**

We have now **100** beds to maintain, as well as many specialist departments equipped with expensive apparatus, all of which need much money expended annually for maintenance.

It is estimated that our expenditure will increase by **£5,000** p.a., as from January 1st, 1930, and as our present Income falls short of our expenditure by **£1,000** p.a., it is easily seen that **£6,000** p.a. **New Money** must be secured if Gravesend and North Kent is to maintain an efficient and up-to-date Hospital. How is it to be obtained? I ask the help of everybody. A great attempt is to be made to secure an Annual Subscribers List worthy of the Town and District. An Almoner has been appointed to interview In and Out Patients with a view, not only of securing their financial help, but this Officer will also advise them on matters of after-care and other social services.

The Pay Day Fund is making strenuous efforts to try and secure a contribution of not less than twopence per week. This uniform subscription will augment the regular Income, and the contributor will be exempt from any charges made for treatments.

Legacies have not been a very fruitful source of revenue for the past few years, but, I am grateful to report that 1929 was the best year since 1908, the amounts received being :—

	£	s.	d.
The Late Mrs. Edith Law Perkins (Under Exors. discretionary powers)	360	0	0
The Late Mr. Arthur Carpenter (" In Memory of my dear wife, Mary Jane Carpenter ")	1065	11	9

I am also glad to learn that several of our friends have notified their intention of making provision in their Wills. May I commend their example to you?

The Opening Ceremony of the New Women's Ward Block was performed on Wednesday, July 24th, 1929, by the Marchioness of Carisbrooke. Many hundreds of visitors attended the Ceremony and special donations received on the day amounted to £150, plus a further donation of £100 from Mr. and Mrs. Raoul H. Foà. A full account has already appeared in the local Press.

Memorial Tablets to the Late Mrs. B. H. Edmonds were unveiled on Monday, October 21st, 1929. The Tablet in the No. 1 Women's Ward was unveiled by the President, Mr. Raoul H. Foà and the other Tablet in the Children's Ward was unveiled by Mrs. Raoul H. Foà, President of the Ladies' Association.

I feel that a debt of gratitude is due to the Stock Exchange Dramatic and Operatic Society for their yeoman support. The Hospital benefitted to the extent of £300 from the sale of " Help Yourself " Society Annuals, £13 10s. from the sale of " Hetty," the " Help Yourself " Girl Dolls, and £50 from the Stock Exchange Mutual Subscription Fund.

The children of St. James' Church Sunday School continue to provide luxuries throughout the year for the patients in the Children's Ward.

In conclusion, I want to remind the public that whilst the Hospital is frequently asking for support, it is also the Hospital that *always* supports the public when they need urgent surgical and medical aid.

H. D. STEPHENSON, *Chairman.*

FINANCE COMMITTEE REPORT.

Grave problems of Finance have occupied much of the time of your Committee.

Whilst routine work of systematically checking Income and Expenditure accounts has been carried out with customary carefulness, it has been the politics of Finance which has caused serious consideration. Our Overdraft limits have been exceeded on all accounts, but thanks to the kindly action of our Bankers, we have been given temporary facilities to cope with this perilous position.

The General Maintenance Account has the largest Overdraft ever known. The Building Fund owes the Bank £12,000, and, until such time as these huge debts have been paid off it is impossible to embark on any future extension or improvement. It is only fair to state that, in regard to the Building Fund, outstanding donations promised are just about sufficient to clear this debt, but it will take three years to do so. In the meanwhile, interest charges on the various accounts amount to nearly £1,000 p.a., and your Committee feel that this sum could be better employed by being expended for general purposes. This can only be achieved by your generous and quick support. Every £ given now saves interest and is really worth about 23/- to the Hospital.

The Finance Committee is mainly concerned with expenditure and economy, yet they do not feel justified in cutting down any *necessary* expenditure. Last year the Chairman commented upon the fact that very little internal or external painting had been carried out. Towards the end of the year under review, *i.e.*, 1929, we have had to face many heavy expenses, and these repairs and re-decorations are still proceeding.

A complete set of electrical fire alarms has been installed at a cost of £200. A most necessary precaution in the safeguarding of lives of our helpless patients. There can be no doubt of the need for this expenditure which assures every member of the Staff being informed immediately should there be a fire.

The Hon. Medical Staff advised the appointment of a Pathologist and, realising the need for keeping up-to-date, and giving the patients the best possible service, we recommended the necessary expenditure.

We should like to record our thanks to The Ladies' Association for their many valuable gifts of linen, to His Worship the Mayor (Councillor G. Simmonds, J.P.), for his generous gift of blankets, and to Mr. George Sandford, J.P., for his valuable gift of a complete Gas Cooker and Hot Plate. These gifts have considerably assisted our finances.

We trust others interested in our work will give us useful gifts in kind. My Committee appeals for your support in this great cause and feel confident that the spirit of generosity will be forthcoming in our extreme need. Will everyone in health send a "Thank Offering?" This would relieve the financial pressure so that we could say, "We are out of debt and out of danger."

In conclusion, we earnestly ask all friends of the Hospital to be optimistic, and to transmit this spirit of optimism to others in an endeavour to secure added interest and support.

A. WILSON ROSE, *Chairman.*

VISITING COMMITTEE REPORT.

Whilst being reluctant to recommend anything involving expenditure, we have found it necessary to advise the Committee of Management that certain improvements were necessary, in order to maintain efficiency, and for the comfort of the patients and Staff.

Amongst the major improvements recommended, and we are pleased to report approved by the Board of Management, have been the provision of an adequate Gas Cooker and Hot Plate (referred to in the Finance Committee's Report) a Bath Room and Water Closet for the Domestic Staff, thorough re-decoration and provision of a Bath Room and Water Closet for the Night Nurses Quarters at 35, Bath Street, re-painting of the Princess Alice Ward, which has not been done since 1913, and alterations to the Ward Kitchens and Linen Rooms. Each of these items was absolutely essential.

The Committee wish to emphasize that the Operating Theatre, the Kitchen and the Laundry are all inadequate to meet the increasing demands made upon them, and they look forward to the day when the existing debt on the Building Fund will be liquidated which will allow of these departments being improved.

N. WOOLCOCK, *Chairman.*

APPEALS COMMITTEE REPORT.

During the year much work has been done by the Appeals Committee, and it is hoped that the full benefits of the labour of 1929 will mature during 1930 and the coming years.

Last year the General Income amounted to £12,107 17s. 6d., compared with £11,070 7s. 10d. in 1928.

We have got to face big problems in 1930 and in the future, but, we look forward with optimism knowing that the generous public when they all learn the facts of our needs, will come forward and assist us.

£6,000 per annum

new money has to be found. Can it be done? Of course it can if everybody will do their little bit. **We want hundreds of new Annual Subscribers of One Guinea and upwards.** At the moment we have not got five hundred in our vast district. We feel this can be remedied by submitting full details to every householder and employer of labour, and it is our intention to see that no person can plead ignorance in the future.

We are going to issue a booklet, and not only is this to be left at every house, but, it will be followed up by a personal call.

We have ten thousand workpeople subscribing a regular 8/8 each per annum. If we can get five thousand annual subscribers of from five shillings to five guineas per annum, our problem will be solved, and it will allow us to curtail still more minor appeals which are so irritating to the public.

PAY DAY FUND.

£4,170 5s. 6d. received during 1929. The Representatives Committee are now engaged in trying to make this fund unanimous throughout the District, and their ambition is to increase their support by at least £1,000 p.a. Words are a poor medium to express thanks, but the Appeals Committee express sincere thanks to every member of the Pay Day Fund, and they hope the high example set by the Fund will be followed by everybody not members of the Fund.

DONATIONS.

This source of Income has again proved most valuable, and your Committee desire to place on record their thanks to all Donors. A glance at the special list of grateful patients' donations will prove the number of patients who do not forget kindnesses shown to them.

Amongst outstanding donations we find the following:—

	£	s.	d.
Stock Exchange Dramatic and Operatic Society	313	10	0
Messrs. Orient Steam Navigation Co., Ltd. ...	195	0	10
Gravesend & North Kent Hospital Ladies' Association	100	0	0

Hospital Football Cup Competition	75	11	1
Boxing Tournament	63	14	10
Messrs. Geo. Thompson & Co., Ltd.	29	0	0
Mrs. J. H. Cooper	25	0	0
K.C.C. Sports Committee	25	0	0

STOCK EXCHANGE AMATEUR DRAMATIC AND OPERATIC SOCIETY.

Reference has been made in the Management Committee's Report of the wonderful support received through the "Help Yourself" Society and The Stock Exchange Mutual Subscription Fund. Our Report would be incomplete without a word of thanks to the Organizers, and we tender it to them for their help in the past, and in the hope of other good things to come. We should also like to thank Mr. A. M. Sharratt for his kindly interest in our welfare.

ANNUAL SUBSCRIPTIONS.

It is gratifying to notice that several of our Subscribers have substantially increased their annual support. We trust others, particularly employers, will follow suit.

FETE.

1930 is Fete Year, and in view of the large accumulated overdraft on the General Account, it is hoped that the Fete will be a great success and realise sufficient to pay off debts to date. Special emphasis is made by the Committee that proceeds of the Fete go to General Income Account, and *not* to Building Fund. Offers to organize Stalls, to give donations, or to give gifts in kind will be much appreciated.

ALMONER.

After earnest consideration the Committee unanimously agreed to recommend to the Board the appointment of a Almoner. This was agreed to, and Miss D. G. C. Davidson, B.Sc.(Econ.) was duly appointed to the position.

Miss Davidson commences the organization of this new Department on March 1st, and it is hoped a scale of charges for ordinary patients will come into operation on March 24th.

The Board wish to point out that the Almoner will interview all patients and endeavour to induce them to contribute according to their means. All members of the Pay Day Fund who contribute not less than 2d. per week, will in due course, receive a Membership Card, and on production of this to the Almoner they will be exempted from contribution unless they wish to make a further voluntary contribution.

This is not the only duty of an Almoner, but, being a trained social worker, Miss Davidson will give advice regarding the provision of surgical and medical necessities, and also attend to the after care of our patients.

The Committee wish to stress the fact that they are not in any way destroying the fundamental basis of the voluntary system, because only in rare cases will it be found that a patient can give a voluntary contribution sufficient to pay for the whole cost of his or her treatment, *e.g.*, an In-patient costs about £3 per week and if a particular patient is considered able to pay 20/- per week, it is obvious that that patient is still dependent on our charitable resources to the extent of 40/- per week.

Again the patient has the knowledge he or she has done as much as expected by the Hospital Authorities, and their personal respect is strengthened by the knowledge they have helped themselves. It is as well to mention that of our 15,000 patients, not less than half are not as yet regular subscribers to our Funds through the Pay Day Fund, or kindred organizations.

There are many aspects of the newly created post, but, doubtless the Almoner will write educational articles in the local Press in due course.

LICENSED VICTUALLERS.

All Licensed Victuallers throughout the District have again given yeoman support by medium of donation boxes. The amounts received are acknowledged on pages 63 to 65.

The Hospital Challenge Cups were won by :—

Hospital Challenge Cup.—Mr. A. P. Johnstone, “The Toll-Gate” Inn.

Shrimp Brand Town Houses Cup.—Mr. A. P. Johnstone, “The Toll-Gate” Inn.

Shrimp Brand Country Houses Cup.—Mr. Stanley, “Ye Olde See-Ho,” Shorne.

Anchor Cup.—Mr. Wright, “The Rising Sun.”

Grateful thanks are again tendered to all who assist with this collection, and the Committee express the sincere hope they will all increase their support and take their part in the increased needs of the Hospital.

FOOTBALL CUP COMPETITION.

The Football Cup Competition Committee handed over the useful amount of £75 11s. 1d. for the 1928-29 season. To all honorary officials and to all teams assisting in the Competition, the Committee convey sincere appreciation.

CHRISTMAS GIFT COLLECTION.

Whilst regretting the Christmas Gift Collection fell about £50 below the average amount received during the past few years, the Committee are gratified for the sum of £616 8s. 9d. received from this Fund.

They place on record their deep sense of gratitude to the ladies who so willingly and cheerfully give their services each year to this great labour of love and devotion.

CHURCHES AND CHAPELS.

The Committee ask the Clergy to accept their thanks and also ask them to convey them to their Congregations for the help given by means of collections. They also appreciate the extra assistance given during the past year on the occasion of the special service of Thanksgiving to Almighty God for the recovery of His Majesty King George V. The collections at these services totalled £111 7s. 5d., plus £20 1s. 8d. from St. James's Church, and £2 0s. 6d. from St. Luke's Mission, donated to Building Fund.

The Committee hope that the churches and chapels will be able to arrange for a special collection in aid of the Building Fund, without neglecting the usual collection which is for Maintenance Account.

GENERAL.

WE REALISE THE GREAT TASK WE HAVE IN FRONT OF US, *BUT* WE ARE GOING TO "THINK PROSPERITY," AND ARE CONFIDENT, WITH *YOUR* AID WE CAN WIN THROUGH.

H. A. PORTER, *Vice-Chairman.*

PAY DAY FUND.

ANNUAL REPORT FOR 1929-30.

Of the Pay Day Fund Representatives' Committee.

The Pay Day Fund Representatives' Committee are pleased to report that the Gravesend and North Kent Hospital has received the splendid sum of £4,170 5s. 6d. during the past year from the Pay Day Fund Subscribers. An increase of £300 7s. 7d. over the previous year. The Committee wish to thank all subscribers for this continued support of this Fund and they feel sure that by such support and unity the £5,000 mark is not far distant.

It is very encouraging to the Committee to note the yearly increases since they formed in May, 1927. At the end of that year there was an increase of £454. The increase for the next year was £775, and for the past year £298, making a total increase of £1,527 during the past three years, and as the Committee of Management have definitely agreed that for every £500 subscribed by the Pay Day Fund, this Fund shall nominate one member to serve on that Committee, it will be easily seen that we, the subscribers, will have eight seats on the Committee of Management for the ensuing year, this of course means an increase voice in the Management of our Hospital, for this concession, and also for the great personal interest shown at all times in all Pay Day Fund Work, the Committee wish to express their thanks to our President, Mr. R. H. Foà, the Chairman of the Committee of Management, Mr. H. D. Stephenson, J.P., and to all members of the Management Committee.

The Committee of Representatives also wish to report that during the year they have carried on their Social side and the Pencil Scheme, as an extra effort to raise funds for the Building Fund, and wish to thank all who have supported these events, for by their co-operation we have been able to hand over the sum of £190 to the Building Fund, during the year, also £5 to the Christmas Festivities.

The photograph of Mr. Trebble, our first representative to the Committee of Management, which was presented to Mr. H. D. Stephenson at our last Annual Meeting, has been framed and now hangs in the Board Room at the Hospital.

Card Scheme.—In July, 1929, the Card Scheme was submitted to the Management Committee and was approved. These Cards are now being issued by the representatives to subscribers of at least

2d. per week and it is the aim of the Representatives' Committee that all workers in the Districts served by the Hospital will in due course be entitled to one of these cards.

During the year the following changes were made on the Committee. In May, 1929, Mr. F. S. Cockshott, Honorary Secretary and Treasurer, resigned, Miss D. Foreman was elected as Honorary Treasurer, and in October, 1929, Mr. S. L. Plumridge, Honorary Secretary, resigned. Mr. W. H. Holden was elected as the Honorary Secretary.

In conclusion the Representatives' Committee have been invited by the Building Industries Committee to assist in the selling of the House Brick Tickets at 1/- each, and appeal to all to support this combined effort to help this very deserving cause, the Gravesend and North Kent Hospital Building Fund.

W. J. PACKMAN, *Chairman.*

W. H. HOLDEN, *Hon. Secretary.*

ANNUAL REPORT.

Speaking at the Annual Meeting in November, Mrs. Foà, our esteemed President, said :

“ Since our last Annual Meeting the Hospital has increased in size from 72 beds to 100 beds. The Resident Staff has also increased. There are now 3 Resident House Surgeons, 45 Nursing Staff, 16 Domestics, 5 Laundry Women, 7 Porters and 3 Clerks in the Secretary's Office.

“ Last year 203 children, 363 men and 484 women were treated in the Wards.

“ Over 15,000 individual patients came to the Out-patients' Department, and they attended over 70,000 times for dressings and treatment. Just think this is an average of 190 patients every day, week-days and Sundays and holidays.

“ This all means more money and more work for the Ladies' Association, and I am pleased to know that the number of members still continues to increase. In 1920 you asked me to be your President, and the membership was then about 60. To-day we have 240 members, but we still want more and more ladies to take an active part in the work. Next year we have the tri-ennial Fete and I do hope you will try and take Stalls.

“ I do not know if the ladies read the report but I should like to take this opportunity of mentioning the many activities connected with the Ladies' Association.

“ Looking at the past year I would like to congratulate you all on your achievements, but, particularly would I like to thank the ladies who have put in so many hours at the working parties, not only on the regular day, Wednesday, but also on an extra day, Monday, whilst some ladies took much work home in order to get the linen ready for the new Wards. The record work of is as follows :—

Blankets marked	151
Jackets made	46
Night Dresses made	74
Operation gowns	27
Pudding cloths	38
Round towels	26
Hand towels	231
Dressing towels	69
Tea cloths	234
Table cloths	12
Mattress covers	21

Wringers	128
Sheets	286
Draw sheets	146
Pillow cases	245
Quilts	68
Bibs	20
Pan covers	75
Bottle covers	52

“ We did not hold a Sale of Work during the year, and in order to keep the finances in a healthy condition a Card Competition was arranged. Up-to-date about £60 has been paid in, but, if you will all complete the cards you have before Christmas there is every hope we may profit by £160.

“ As you know Messrs. Bryant & Rackstraw, Ltd., presented two Tennis Cups, and I gave you another. The first Tennis Tournament was held recently, and produced £28. I hope this event is going to be even more successful in the future.

“ We had a splendid attendance when the Marchioness of Carisbrooke opened the New Wards, which were built, equipped and ready for use in a year. A good piece of work, and the Ladies' Association provided tea, which, together with a collection, resulted in a profit to the Funds of nearly £40. Then a new venture, thanks to the energy of Mrs. Walter Fletcher, was inaugurated by holding a Market Stall at Christmas, which was most successful and which is being continued, for which we are most grateful as it is no light task standing all day in a cold place and means much self-sacrifice. There is also the Rummage Sale, always very profitable, and the Pound Day, which realised £20 cash and over 6,000 lbs. weight of goods.”

Officers.—Mrs. L. E. Owen was duly elected Chairman for the ensuing year, Mrs. Tod, Vice-Chairman. Miss Gedge resigned as Hon. Treasurer and Mrs. Walter Fletcher was appointed in her stead, whilst Mrs. H. E. Wilson is now Assistant Hon. Secretary.

Farthing Fund.—£493 11s. 8d. was the total at which the Farthing Fund stood when the books were closed on December 31st. By the time this report is published there is no doubt the first Five Hundred Guineas will be completed. It is the hope of the Association to arrange a ceremony in the Out-patients Hall for the presentation of a cheque to the Hospital Committee.

It is difficult to adequately express thanks to the Teachers and the pupils for this magnificent and lasting support. May the Association hope that this Fund will be continued and assist to build up the Endowment Fund which is so sorely needed, particularly in view of the vast extensions to the Hospital Buildings and the corresponding increase in annual expenditure.

Mrs. Barton has again acted as Hon. Collector for the Fund and takes a keen interest in the scheme.

Christmas.—The Association again provided funds for each of the five Wards and also made a gift to each of the patients and staff.

Dance Committee.—The Dance Committee again gave substantial financial assistance to our Funds. They donated the sum of £233, as a result of the Annual Ball. This sum is the second highest ever received, and we tender our thanks to the Dance Committee for their continued support.

Women's Fund for Building and Equipping New Women's Ward.—It is gratifying to see the steady growth of this Fund. Up-to-date over £2,000 has been received, but £6,000 is still required. Our President has repeatedly made strong appeals on behalf of this Fund, and, in response the Committee granted £250 as donations to this Fund. The Committee hope all members of the Association will join the Fund and also secure at least one friend to do likewise.

Tri-ennial Fete.—This year we have the 'Tri-ennial Fete, and the Committee appeal to all to assist in every possible way, in order that we may see our Hospital in a more sound financial condition.

Whist and Bridge Drives.—Several members have organized private Drives which have benefitted the Funds considerably. The Committee express their thanks and hope other ladies will copy this splendid example.

I. OWEN, Chairman.

E. H. WILSON, Hon. Asst. Secretary.

Rules of the Gravesend and North Kent Hospital Ladies' Committee.

CONSTITUTION.

- 1.—The name of the Association shall be "The Gravesend and North Kent Hospital Ladies' Association."
- 2.—The government of the Association shall be vested in the Members, who shall appoint a Committee of Management, as provided for by Rule 4.
- 3.—A President, Vice-President, Hon. Secretary, Assistant Hon. Secretary and Hon. Treasurer shall be elected by the Members as vacancies occur.

COMMITTEE OF MANAGEMENT.

- 4.—The Committee of Management shall consist of fifteen Members elected at the Annual Meeting, with the addition of the President, Vice-Presidents Hon. Secretary and Treasurer.
- 5.—The Committee of Management shall meet monthly at the Hospital, on such days as they shall determine, and shall at their first meeting after election appoint a Chairman for the ensuing year.
- 6.—Five of the elected Members shall retire annually at the Annual General Meeting, by alphabetical rotation, but shall be eligible for re-election.
- 7.—All election of Officers shall be by ballot.
- 8.—In the absence of the Chairman at any meeting the Members shall appoint a Chairman thereat.
- 9.—The Committee of Management shall be convened by circular issued by the Secretary at least two clear days before a meeting, excepting in cases of emergency, and such notice shall contain a copy of the Agenda.
- 10.—A meeting may be convened by the Secretary, or any three Members, upon giving notice in accordance with Rule 9.
- 11.—The Committee of Management may, in the case of a vacancy on the Committee, appoint a person to fill the vacancy till the next Annual Meeting.
- 12.—That all Ladies of the Association pay an annual subscription of 2s. 6d., unless they are already subscribers to the Children's Ward, and that each Member shall provide one or two garments annually to the Hospital.
- 13.—Three Ladies shall be elected annually from the Association at the General Meeting, to visit the Wards, and they shall sign the Visitors' Book after each visit.
- 14.—All new Members to be elected at a meeting of the Association.
- 15.—Any Member who may not have paid her subscription for two years shall be informed by the Secretary that her membership will cease at the end of three months from the commencement of the financial year, unless she intimates her desire to remain on the Association by paying arrears of subscription.
- 16.—There shall be one meeting annually of the Association, and additional ones whenever the Committee feels called upon to obtain advice and assistance from the Association.
- 17.—The Members shall seek to promote the prosperity of the Hospital by making known its claims to their friends and others.

TREASURER.

- 18.—Money in the hands of the Treasurer of the Association shall be paid as soon as possible to the Treasurer of the Gravesend and North Kent Hospital, that it may be included in his annual statement of accounts.

Report of the Gravesend & North Kent Hospital Samaritan's Society, 1929.

THIS Society has been established forty-three years, and continues to do valuable after-care service to the patients.

The objects of the Society are :—

- 1.—To give temporary relief to the deserving poor patients, after due investigation on the part of the Committee.
- 2.—To aid families whose natural supporters have been obliged to seek relief within the Hospital.
- 3.—To provide change at the sea for convalescent and debilitated patients whose restoration to health is impracticable in the Hospital and at their own ill-provided and often unhealthy homes, but may be speedily effected by pure air, rest and nutrition.
- 4.—To provide suitable clothing for destitute patients, who, from long illness have been reduced to poverty, and whose particular circumstances justify such assistance.
- 5.—To provide in some cases such surgical instruments and artificial limbs, etc., as are generally beyond the means of poor patients.
- 6.—To provide nourishment and pressing requirements in the case of poor patients who are attended by the District Nurse.

The Samaritan Society continued to do much useful work, and very many patients have been sent to the Birchington and Folkestone Convalescent Homes.

Many patients have been assisted with their travelling expenses when proceeding to Convalescent Homes.

The year has been an exceptional one for the provision of Surgical Appliances, £45 having been expended, whilst patients could only afford to contribute £11 12s. 4d. towards this sum.

In addition very many Royal Surgical Aid Letters have been issued.

Miss F. K. Dunch continues to act as Hon. Secretary to the Fund and the Committee extend their grateful thanks for her interest in the Fund.

REPORT ON £60,000 EXTENSION FUND OF THE GRAVESEND AND NORTH KENT HOSPITAL.

The Committee again draw your attention to the work they have carried out and extensions which need carrying out in the future.

Extension of the Gravesend and North Kent Hospital.

First Part. An adequate **Out-patients' Department**, capable of housing all special departments, and with suitable waiting room accommodation. This block is designed to meet increasing demands.

Site.—Stuart Road. Completed.

The provision of **forty beds at the earliest possible date**. This Ward Block consists of two Wards with necessary sanitary turrets and adequate staff accommodation.

Site.—Bath Street. Completed.

Hot Water Apparatus. Provision of a new apparatus sufficient in capacity to supply hot water to all parts of the building both now and in the future. Completed.

Old Out-patients' Department. Re-construction for administration purposes. Completed.

All necessary Furniture and Equipment.

The above are the immediate needs of the Institution estimated cost £30,000,

but

in view of the ever increasing needs the Committee feels it a wise policy to anticipate future developments. They therefore appeal for £60,000 to cover a scheme which will occupy the whole site owned by the Hospital. This will give the following additional accommodation.

Second Part. Provision of Private Wards for Paying Patients.
Two New Wards.

Reconstruction and extension of the Children's Ward.

Reconstruction of the Operating Theatre Block.

Reconstruction of Kitchen and Stores.

New Laundry.

New post-mortem Room and Mortuary Block.

Additional Staff Accommodation.

All necessary Furniture and Equipment.

Any Cash Balance to be Invested to form the nucleus of an Endowment Fund.

Very careful consideration has been given to these matters, and the Committee feel it is much better to appeal for the whole amount now than to make a second appeal in—say five years time.

Balance Sheets are printed in this report ; a complete list of promises received up to December 31st, 1929, and the actual cash as received from the commencement of the Fund until December 31st, 1929.

They feel sure all contributors will be pleased with the rapid progress of the first part of the work, and a glance at the Hospital Annual Report for 1929 will reveal the amazing increase in the numbers of Patients treated during the past few years.

Knowing that many friends of the Hospital do not like to give donations for building purposes, they respectfully point out that donors may contribute to The Extension Fund and earmark their contributions for Endowment Fund, or for One Thousand Guineas they may name one of the 36 beds in the New Wards.

It is felt by the Committee that many prospective donors await a lead, and they hope the publication of this report will give them the desired information.

There is still a long way to travel before the £60,000 mark is reached, but the Board are confident the generous public of Gravesend and North Kent will not fail them, and will come to their aid in order that they may build and equip the Hospital so that it is worthy of the District, and in order TO MEET YOUR NEEDS.

SECOND ANNUAL REPORT

OF THE

WOMEN'S FUND FOR BUILDING AND EQUIPPING THE NEW WOMEN'S WARD

AT THE

Gravesend and North Kent Hospital.

In presenting the Second Annual Report I desire to convey to all subscribers the sincere and heartfelt thanks of the Committee of Management for the splendid support already given, and also to express the hope that all ladies will continue their assistance and also interest their friends in this special Fund whereby the ladies of the Gravesend and North Kent District are endeavouring to raise the sum of £8,000 to pay for the building and equipping of one of the new Wards for Women.

Up-to-date no less than £2,000 has been subscribed during two years. This sum has been contributed by about 350 ladies. In order to make the Fund a success it is essential to secure at least 650 more ladies willing to give help by promising to donate £2 per annum for a period of four years.

Since the publication of the last report the two new Wards have been built, equipped and opened for work. Within one month of the opening ceremony the total of 38 beds were not only fully occupied, but an extra bed had to be placed in the centre of one of the Wards. Can you doubt the need for the provision of more beds? In further support of the need for extension it is interesting to know that to-day we have again a Waiting list of women desiring admission.

I invite all ladies to come and visit the new Wards.

Below is a form. Will you fill it in and send to me with your first contribution. By signing the form you do not bind yourself to contribute if you find you are unable to do so, but, I ask you to consider making a sacrifice for others who need your aid. 1½d. per day put aside will assure your contribution. Pay in when you please and what ever sum you please.

The existing debt on new Buildings is over £10,000 and until this is paid off it is impossible to carry out further extensions.

Now ladies here is an opportunity for you to assist in relieving the Hospital of a very serious financial plight. Will you do so?

When the Fund is completed (£8,000) the names of all donors of £2 and upwards are to be inscribed in an album which will be kept in the Ward as a permanent record of how the ladies of the district helped their Hospital in its great Life Saving task.

Send to-day. Don't delay.

C. E. CHAPMAN,
Secretary.

To The Secretary,

Gravesend and North Kent Hospital, Gravesend.

Please enter my name as a Member of The Women's Fund for Building and Equipping the new Ward for Women. I will endeavour to give or collect the sum of £..... per annum for four years.
